

DIRECTIONS:

1. At Light # 6 in Pigeon Forge turn onto Pine Mtn. Rd.
2. Go approximately ½ mile turn left onto Progress Hills Blvd.
3. Take right fork up hill, approximately 1/10 of a mile (no street sign as Progress Hills Blvd. makes a loop at this point)
4. Continue on to a 5 way intersection, bear to the left and take the street going higher. This is the beginning of Gold Dust Dr.
5. Office is located at the second home on the left.
6. The driveway is a semi-circle; take the highest entrance where you see the wood sign “John Mayberry, Enter Here”.

*** If you should go past the driveway, please do not turn around in a neighbor’s driveway. Go to the next intersection and turn around.

*** Approximate drive time is about 5 minutes, only 1 mile from traffic light #6.
